

M.Gordon Footwear - Made in Africa by Africans for Africa!

- Hunting boots
- Hiking boots
- Leisure and work boots
- Shoes
- Veld skoens and sandals

We have it all.

M Gordon Footwear is a supplier of quality footwear, designed to withstand rigorous use in Africa. Best quality materials and workmanship ensure that our varied selection of footwear is **durable** as well as **comfortable**

Our **hiking boots** have been to the top of Kilimanjaro and our **hunting boots** are in daily use in activities as varied as game control and anti-poaching patrols.

Rounding out our range are **leisure and work boots, shoes, veld skoens and sandals** for any occasion.

Take a stroll through our website and see just what exciting and attractive footwear we have to offer!
